## **CYBERSCAN BIORESONANCE BIOFEEDBACK PROTOCOL**

### **Detection \* Intervention \* Prevention Strengthen Your Immune System**

CyberScan Professional System is the most advanced bioresonance biofeedback device from Germany in balancing your immune system to promote good health and wellness. CyberScan energetically gets to the root cause of the problem, facilitates healing and balances your immune system to protect your body from all kinds of inflammation, diseases, disorders, including COVID 19 virus, its mutants and other viruses. For more information, please email [welcome@life-haus.com](mailto:welcome@life-haus.com)

#### **Instructions for CyberScan DIP+Immune System Balancing:**

1. Provide your personal specimen for scanning. Acceptable specimens: hair and nail clippings. (Please cut about 12 1-inch strands of your hair or save all your nail clippings).
2. Enclosed your specimen in plain paper. Make certain to fold all four sides & secure.
3. Label with your full name, date of birth and mailing address.
4. Place in mailing envelope. Send OVERNIGHT to:  
[www.cyberscanamerica.com](http://www.cyberscanamerica.com)  
11152 Wallingsford Road #7C  
Los Alamitos, CA 90720
5. Your Therapeutic Intervention via "eeCard+" with a 24-hour turnaround time, will be shipped overnight. Test outcomes summary to be emailed within 48 hours.
6. Repeat the CyberScan Protocol, after 14-days for 12 sessions or as recommended for more acute and chronic cases.

Thanks for your interest in CyberScan Professional Immune System Balancing.
